9 – 11 am (Gadsden)

## Etowah County College Fair

The annual **Etowah County College Fair** is hosted by Gadsden State Counseling and Advising Center and held in Beck Field House where colleges, universities, and Armed Forces representatives come together to recruit juniors and seniors from **ten** area high schools. This year, there were more than 700 students in attendance. Thank you to everyone who participated in this event – it was a HUGE success!

## Tuesday Topics!

**Tuesday Topics**, offered once per month on the McClellan Campus, provide information and promote awareness of social issues within our communities. The October 5th **Tuesday Topic** session featured Attorney and Executive Director, Joe Nabors, of the Calhoun/Cleburne Children's Center, Inc. Mr. Nabors spoke to psychology students on the topic, *Child Abuse in our Society*. This child abuse advocacy center helps abused children by coordinating the efforts of law enforcement, the District Attorney, DHR, counselors, and others. Gadsden State faculty, staff, and students donated 167 stuffed animals and 132 snack cakes for the center! If you are interested in future **Tuesday Topics**, contact Cindy Greer at (256) 238-9348.

Way to go!

## INFO TECH Seminar

The first **INFO TECH** seminar was held September 23rd in the East Broad Campus Auditorium. Guest speakers were Ronnie Watkins, owner of Ronnie Watkins Ford and Mack Butler, owner of Butler Electric. The presenters emphasized the importance of employability preparedness and introduced strategies for employability success.

There were 150 students in attendance at this event!
