Admission Policies and Procedures
If an individual wishes to enroll in one or more credit courses offered by GSCC, he/she must first apply online for admission to the College. If a citizen of the United States or a permanent resident, the applicant must apply for admission through the Gadsden State Office of Admissions. If an international student, the applicant must apply for admission through the Gadsden State International Programs Office which is located in Naylor Hall. NOTICE: All applicants must request that their high school and each college attended mail an official academic transcript to Gadsden State Admissions Office. Failure to submit official academic transcripts prior to registration will negatively affect the applicant’s financial aid.

The requirements and procedures for admission are recommended by the Registrar for approval by the Admissions Committee, which acts under the policies of the Alabama Community College System. Persons seeking admission must complete online the Gadsden State “Application for Admission” and submit appropriate documentation as required, including one primary form of identification. (Alabama Community College System 801.01 revised May 14, 2014.)

All male students between the ages of 18 and 26 must verify that they have registered with the U.S. Selective Service System in accordance with 36-26-15.1 of the Code of Alabama of 1974 (as amended).

Even if students are admitted to Gadsden State, they will have to satisfy additional admission requirements if they wish to enter one of the following areas: any HEALTH-RELATED program and REALTIME REPORTING. For more information about these programs, those interested should see the appropriate program director.

All college admission policies are applicable to eLearning courses and programs.

**Admission Requirements to Non-Degree (Certificate) Courses**

An applicant to a course not creditable toward an associate degree and to a program comprised exclusively of courses not creditable to an associate degree may be admitted provided the applicant meets the above standards or is at least 17 years of age and has not been enrolled in secondary education for at least one calendar year (or upon the recommendation of the local superintendent). In addition, a student may be allowed to enroll in such “institutional credit only” courses as developmental English, mathematics, and reading. For additional information, applicants may contact the Office of Admissions.

Applicants with less than a high school diploma or GED shall be classified as non-degree-eligible and shall not be allowed to enroll in a course creditable toward an associate degree unless the applicant meets the above standards. These students are not eligible for federal student financial aid, but will be allowed to register for certain certificate programs.

**Admission of First-Time College Students**

For unconditional admission, applicants must have on file at the College a completed application for admission and AT LEAST ONE of the following:

1. An official transcript showing graduation with the Alabama High School Diploma (standard, credit based, occupational, or advanced), the high school diploma of another state equivalent to the Alabama High School Diploma, or an equivalent diploma issued by a non-public high school
2. An official GED certificate

**NOTICE:** An applicant who graduated from a non-accredited high school must have Carnegie Units which meet admission criteria (equivalent to the Alabama High School Diploma).

**Conditional Admission of First-Time College Students**

Conditional admission may be granted to an applicant who does not have on file at the College at least one of the documents as described in the “Unconditional Admission of First-Time College Students” section. Conditional admission is a strictly temporary circumstance in which the student will be permitted to enroll and attend classes until such time as the necessary documents are received by the College. All admission documentation must be received prior to the completion of the first semester of enrollment.

If all required admissions records have not been received by the College prior to issuance of the first semester grades, a registration “hold” will be placed on the student’s account and the student’s transcript will be held until this requirement has been met. Students attending under conditional admission are not eligible for federal student aid.

**Admission of Non-Native English Speakers**

All non-native speakers of English must provide proof of language proficiency by meeting one of the following options:

1. TOEFL (Test of English as a Foreign Language)—Minimum score of 500 PBT (paper-based) or 61 (Internet-based). Official score should be sent to Gadsden State, institution code 1262.
2. IELTS (International English Language Testing System) score of 5.5.
3. STEP (Society for Testing English Proficiency) Eiken score Pre-First
4. Alabama Language Institute (ALI): Students who study in ALI may meet the language requirement by completing the advanced level classes with a grade of A or B.
5. Completion of English Composition: Students transferring from another U.S. institution may meet the language requirement through completion of at least 3 credit hours in English Composition (101) with a grade of “C” or higher. This policy applies to all non-native English speakers entering GSCC who have not received an American high school diploma or GED or who do not have credit for English Composition (101) from a regionally accredited U.S. institution. Contact the International Office for more information.

Admission of Transfer Students
An applicant who has previously attended another regionally accredited postsecondary institution will be considered a transfer student and will be required to furnish official transcripts of all work attempted at all said institutions, including the transfer student’s official high school transcript.

A transfer student who meets requirements for admission to a course creditable toward an associate degree shall be classified as a “degree-eligible student.” A transfer student who does not meet these requirements shall be classified as a “non-degree-eligible student.” Non-degree-eligible students are not eligible for federal student aid.

An applicant who has completed the baccalaureate degree will be required to submit only the transcript from the institution granting the baccalaureate degree.

Conditional Admission of Transfer Students
A transfer student who does not have on file official transcripts from all postsecondary institutions attended and any additional documents required by the College may be granted conditional admission. No transfer student shall be allowed to enroll for a second semester unless all required admissions records have been received by the College prior to registration for the second semester. Under no circumstance will credit be granted until the student is admitted unconditionally.

If all required admissions records have not been received by the College prior to issuance of the first semester grades, a registration “hold” will be placed on the student’s account and the student’s transcript will be held until this requirement has been met. Students attending under conditional admission are not eligible for federal student aid.

A transfer student whose cumulative grade point average (GPA) at the transfer institution(s) is 2.0 or above on a 4.0 scale will be admitted on clear academic status. A transfer student whose cumulative GPA at the transfer institution(s) is less than 2.0 on a 4.0 scale will be admitted on academic probation only. The transcript will read “Admitted on Academic Probation.”

An applicant who has been academically suspended from another regionally accredited postsecondary institution may be admitted as a transfer student only after following the appeal process established at the College for “native” students who have been academically suspended. If the transfer student is admitted upon appeal, the student will enter the institution on academic probation. The transcript will read “Admitted upon Appeal – Academic Probation.”

Admission of Transient Students
Any student from another college may attend Gadsden State as a transient student during any semester. The student must submit an online application. A transient student is a student attending Gadsden State utilizing a letter of transience. The letter should contain the courses approved by the student’s parent institution for transfer. A letter of transience is valid for one semester only and must be on file in the Admissions Office prior to the student’s registration. Transient students are not eligible for federal student aid.

Transfer of Credit
Whether one is a U.S. citizen or an international student, the following principles relating to transfer of credit earned at one institution to another institution apply:

1. Coursework transferred or accepted for credit toward an undergraduate program must represent collegiate coursework relevant to the formal award, with course content and level of instruction resulting in student competencies at least equivalent to those of students enrolled in the institution’s own undergraduate formal award programs. In assessing and documenting equivalent learning and qualified faculty, an institution may use recognized guides that aid in the evaluation for credit. Such guides include those published by the American Council on Education, the American Association of Collegiate Registrars and Admissions Officers, and the National Association of Foreign Student Affairs. NOTICE: The student may check for transfer credit on the website by logging into Self Service Banner (SSB), student online system.

2. A course completed at another regionally accredited postsecondary institution with a passing grade will be accepted for transfer as potentially creditable toward graduation requirements.
3. A transfer grade of “D” will be accepted only when the transfer student's cumulative GPA is 2.0 or above. If the student has a cumulative GPA of 2.0 or above, the “D” grade will be accepted the same as it would be for “native” students. The exception to this rule is a grade of “D” in English Composition I, English Composition II, and/or any math course at the one hundred (100) level and above, none of which will be transferred.

4. Non-traditional credit may be extended based on a comprehensive evaluation of demonstrated and documented competencies and previous formal training. Evaluations are made by qualified faculty and approved by the appropriate chief instructional officer.

5. A transfer student from a collegiate institution not accredited by the appropriate regional association or Council on Occupational Education may request an evaluation of transfer credits after completing fifteen (15) semester hours with a cumulative GPA of 2.0 or above.

**Early Admission for Accelerated High School Students**

1. A student is eligible for early admission if he/she meets ALL of the following criteria:
   a. The student has successfully completed the tenth (10th) grade.
   b. The student provides a certification from the local principal and/or designee certifying that the student has a minimum cumulative “B” average and recommending that the student be admitted under this policy.
   c. The student has completed the high school prerequisite(s) for the postsecondary course in which he/she wishes to enroll. For example, a student may not take English Composition until he/she has passed the Alabama Public High School Graduation Examination.

2. Exceptions may be granted by the Chancellor for a student documented as gifted and talented according to the standards included in the State Plan of Exceptional Children and Youth. Exceptions apply only to requirements “A” and “C” above.

3. All credit for coursework completed under these provisions is held in escrow until the student provides proof of high school graduation (final high school transcript). Transcripts issued prior to a student's high school graduation will be labeled “Conditional Credit.” Upon proof of high school graduation, this notation will be removed from the transcript. A student from a non-public, non-accredited high school must also provide documentation of an appropriate ACT (16) or SAT (790) score upon enrollment, or the student must provide documentation that he/she has passed the Alabama Public High School Graduation Examination.

**Dual Enrollment for High School Students**

Eligible high school students may enroll in college classes concurrently with high school classes, either on the college campus or at the high school, and receive both high school and college credit. There must be on file at Gadsden State a formal written agreement between the student’s local school board and Gadsden State before approval for dual credit/dual enrollment admission is granted. To be eligible, the student must meet the following requirements:

1. The student must be in grade 10, 11, or 12 or have an exception granted by the participating postsecondary institution upon the recommendation of the student’s principal and superintendent and in accordance with Alabama Administrative Code 290-8-9.17, regarding gifted and talented students.

2. The student must have a “B” average, as defined by local board of education policy, in completed high school courses.

3. The student must have written approval of the appropriate principal and the local superintendent of education. Student success in dual credit/dual enrollment is dependent upon both academic readiness and social maturity. Approval from the principal and superintendent indicates that the student has demonstrated both.

4. The student must meet the entrance requirements established by the College.

5. Students who are enrolled in grades 10, 11, or 12 may be deemed eligible to participate in dual credit/dual enrollment in occupational/technical courses pending demonstrated ability-to-benefit as documented by successful completion of COMPASS, which is approved by the Alabama Community College System.

6. All credit for coursework completed under these provisions is held in escrow until the student provides proof of high school graduation (final high school transcripts). Transcripts issued prior to a student’s high school graduation will be labeled “Conditional Credit.” Upon proof of high school graduation, this notation will be removed from the transcript. A student from a non-public, non-accredited high school must also provide an appropriate ACT (16) or SAT (790) score upon enrollment, or the student must provide documentation that he/she has passed the Alabama Public High School Graduation Examination.

**Senior Citizens**

Persons sixty (60) years of age or older may be eligible for a tuition waiver if they qualify for the Senior Adult Scholarship Program. The applicant must

1. Comply with the College’s admission standards as noted earlier in this catalog under "First-time students," "Admission," "Transfer Student," or "Returning Student";

2. Be an Alabama resident; and
3. Enroll for credit during the drop/add period only. (Non-credit enrollment and early registration are not covered under these provisions.)

Senior Adult scholarships will be limited based on available funds. The scholarship can cover up to six (6) hours per semester, not to exceed a maximum benefit of $690 per semester for the 15-16 award year. The Senior Adult scholarship will be available only after all other forms of financial assistance have been exhausted. The student is responsible for any fees or other charges applied to the general student body. Senior citizens granted a tuition waiver under the Senior Adult Scholarship Program may receive the tuition waiver only one time per course. Any time a senior citizen repeats a course, the student is responsible for not only fees but also tuition. NOTICE: Senior citizen course enrollment under the Senior Adult Scholarship Program is restricted to a space-available basis. A course will not be expanded beyond the optimal number to accommodate the enrollment of senior citizens attending under the Senior Adult Scholarship Program. Eligible students who choose to register for courses and receive the senior citizen tuition waiver must wait until the first day of class to register.
