IMPORTANT: **TEAS-V** is no longer the required entrance exam for Gadsden State's Nursing Program.

An **ACT Composite score of 18 or greater** is now required for all Nursing and Radiology applicants. Students who intend to apply to either of these programs should review pertinent information provided within the [Gadsden State Health Science Division](#) webpages.

There is NO expiration to the age of the ACT score for applying to either of these programs. If you took ACT in high school and had an ACT Composite of 18 or greater you can submit an *official* ACT record of that score, if it has not already been recorded on your Gadsden State student account. Please verify with Admissions before sending duplicate ACT scores.

**What is an official ACT score?**

- An ACT score record documented on your high school transcript that has been sent to Gadsden State's Admissions office by your high school.
- An ACT score record sent to Gadsden State by ACT.
- An ACT score record printed from your ACT account in the presence of a Gadsden State Testing Services staff member.

If you have not taken ACT or do not wish to use a previous ACT score for your program application, please review ACT's webpage for testing information - test dates, locations, fees, registration, payment and test review materials.

**2016-2017 National ACT Administration Dates:**

SATURDAY, SEPTEMBER 10, 2016  
SATURDAY, OCTOBER 22, 2016
