

## PANDEMIC CAMPUS SECURITY PLAN

### TEMPERATURE CHECKPOINT PROCEDURE

- Security will staff the temperature checkpoints from 6 a.m. until 5 p.m. ANYONE, including faculty and staff, entering after 5 p.m. must notify 24-hour security for a temperature check prior to entering a building.
- Security will wear masks/gloves at all times.
- Students and employees will show their ID badge and be scanned in their cars.
- Visitors (prospective students) will state the purpose of their visit and destination.
- Individuals with temperatures reading less than 100.4°F will receive a wristband indicating they are cleared to enter the campus/buildings.

**Individuals with a temperature reading of 100.4°F or more will be asked to leave campus and consult with a health care provider; no wristband will be issued; name and contact information will be recorded and forwarded to the appropriate COVID-19 liaison.**

### AYERS CAMPUS

- Campus designated entrance is at the LRC (main campus entrance).
- Temperature checkpoint will be located before the intersection leading to the Cheaha Center.
- Students and employees turned away can proceed to the designated exit onto Coleman Road.
- Once cleared, students and employees may proceed to the designated building(s).
- All Ayers Campus traffic will use the designated exit on the left of the Administrative Building to Coleman Road.

*Entrance by the Cheaha Center will be blocked (which will reroute traffic for the Career Center). The parking lot and street parking in front of the Administration Building will be blocked.*
