WITHDRAWAL POLICY

Withdrawal from a Class

Students may withdraw from a class from the end of the add/drop period until the withdrawal deadline, which is published in the College calendar. Withdrawn grades (“W”) will be assigned for classes in which students officially withdraw during that time. Should students fail to complete the course withdrawal process, a failing grade (“F”) will be assigned.

Students may withdraw from a class through their **OneACCS** student account, by visiting the Admissions and Records Office on any campus to complete the withdrawal form, or by emailing a request to records@gadsdenstate.edu from their student email account.

Students receiving financial aid who withdraw from class or stop attending class could have their financial aid decreased. Students who never attend class are not eligible for federal financial aid.

Please note the following:

- ▶ *Financial aid awards will be based on enrollment and class attendance, as reported by instructors. The amount of financial aid for which students are eligible is determined based upon enrollment and attendance as of the 10th day after regular term registration ends.*
- ▶ *If students add classes after the 10th day after regular term registration ends, the financial aid award amounts are not guaranteed to increase.*
- ▶ *If students withdraw prior to the 10th day, or add one or more classes after the 10th day after regular term registration ends, those classes may not be included when determining the amount of financial aid for which students are eligible.*
- ▶ *If students withdraw prior to the 10th day after regular term registration ends, financial aid may be decreased.*

*If financial aid awards are decreased, students may have to repay the College and/or the Department of Education all or part of their financial awards. Nonpayment of balances will prevent students from enrolling at Gadsden State or any other institution. In addition, students may be referred to a collection agency. For more information on the impact of withdrawals with respect to financial aid eligibility, please contact the **FINANCIAL AID OFFICE**.*

NOTE: Athletes and Health Sciences students must notify their department prior to withdrawing from any class. Health Science students participating in clinical courses may receive a grade prior to the withdrawal date and become ineligible for withdrawal.

WITHDRAWAL POLICY continued

Withdrawal from the College

The student may withdraw completely from GSCC at any time through the last day to withdraw, specified in the College calendar. Students may withdraw from all classes through their **OneACCS** student account after the add/drop period. Students wishing to withdraw from classes during the add/drop period should email the Records Office at records@gadsdenstate.edu from their student email account. ***Nursing students, EMS students, and athletes must notify the department prior to withdrawal.***

Once the complete withdrawal has been processed, the student will not be allowed to register again during the term of withdrawal.

SHOULD A STUDENT ABANDON ANY CLASSES WITHOUT OFFICIALLY WITHDRAWING FROM THE CLASSES OR FROM THE COLLEGE, THE GRADE OF “F” WILL BE ASSIGNED.

A Return of Title IV calculation will be required for students receiving or are eligible to receive financial aid. Refer to the section **TREATMENT OF FINANCIAL AID FOR COMPLETE WITHDRAWAL** for more information.

All students and employees are encouraged to report promptly all on-campus crime and suspicious activities to the Office of Safety and Security. While off campus, students and employees are encouraged to contact the local law enforcement authorities. This report may be made to any uniformed GSCC officer or in person at the Security Office. As required by the Higher Education Act of 1965, Gadsden State Community College makes available to students graduation and transfer out rates for designated student cohorts. Information may be obtained on the Gadsden State website or by contacting the **Office of Institutional Effectiveness, Grants, and Special Projects** at 256-549-8228

Accreditation

Gadsden State Community College is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award associate degrees. Contact the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, GA 30033-4097 or call 404-679-4500 for questions about the accreditation of Gadsden State Community College.

NOTICE: Academic courses taken at Ayers State Technical College prior to 1997 must be retaken due to lack of accreditation by the Southern Association of Colleges and Schools Commission on Colleges.

CLASS ATTENDANCE

Class attendance is considered essential to the educational process and is integral to academic success. Students are expected to attend all classes for which they are registered. Absences disrupt a student's academic progress, contribute to poor academic performance, and significantly diminish the quality of group interaction in class. Students are expected to attend class on time and are expected to remain in class for the duration of the published class time. Faculty are required to verify attendance on a specified day to capture census reporting data as required to comply with federal financial aid regulations. **Students that have not attended class by the census reporting date may be reported as a no show and removed from the course.**

GENERAL STUDENT INFORMATION

CLASS CANCELLATION

Gadsden State Community College reserves the right to cancel any class. When a class is cancelled, **students enrolled in the class will be notified and removed from the course.** Students may register for another section of the course or may contact the **Advisement Resource Center** at 256-549-8271 for assistance.

CLASS SECTIONS

Gadsden State Community College reserves the right to divide class sections whenever deemed appropriate.

STUDENT ID

Students are required to have an identification card, which can be made at orientation or within the first two weeks of classes. IDs are made in Allen Hall Room 104 on the Wallace Drive Campus, in the Pierce C. Cain Learning Resource Center at Ayers, at Gadsden State Cherokee Library, and in the Valley Street Library. **The ID is to be in the student's possession at all times while the individual is on campus or participating or attending College events and must be displayed when requested by Campus Security or other College officials.**

The ID also serves as a library card, which enables students to check out materials (books, videos, etc.) from any Gadsden State Library and to access the Library's webpage and online resources. A replacement card can be issued at any of the listed locations once the student has paid the replacement fee of \$5 at the **Business Office**.

PARKING PERMIT/MOTOR VEHICLE REGISTRATION

All students, faculty and staff, using a motor vehicle on any Gadsden State Community College campus must register it with the Safety and Security Office. **The student vehicle registration fee is included in the tuition fee. The driver will be issued a hangtag, which is to be hung from the inside rearview mirror of the vehicle.** It is the driver's responsibility to keep this hangtag available for use in the vehicle that is driven on campus. However, the hangtag may be moved from one vehicle to another vehicle if necessary. If a hangtag is lost or stolen, the driver must purchase a new one for a fee of \$10.

Students may register vehicles and receive a hangtag from the **Information Desk** in the **One Stop Center** on the **East Broad Campus** in **Gadsden**, at the **Business Office** on the **Ayers Campus** in **Anniston**, and from the **Security Office** at **Gadsden State Cherokee**.

BOOKSTORE

After registering for courses, students should obtain the necessary books and supplies for the semester.

A bookstore, operated by Barnes & Noble Booksellers, LLC, is located in the **One Stop Center** on the **East Broad Campus**. Students can purchase books new or used, rent textbooks, or purchase an e-book. The bookstore also offers supplies, Gadsden State clothing, and gifts. Bookstore facilities are also provided at the **Ayers Campus**. Students may call 256-546-3334 (East Broad Campus) or 256-835-2707 (Ayers Campus).

Students who participate in financial aid programs may purchase materials from the bookstore 10 days prior to the beginning of class and have the items charged to their account.

STUDENT EMAIL

The Gadsden State Community College email system is deemed the official method of communication whereby **students are notified of College-related matters: cancelled/dropped classes, admission status, financial matters, announcements, and general information exchange.**

Students are expected to check email frequently.

It is recommended that email be checked daily, but at a minimum, twice per week. Regular email management will also minimize the risk that the inbox will be full, causing the email to be returned to the sender with an error. Undeliverable messages returned due to either a full inbox or use of a "spam" filter will be considered delivered without further action required of the College.

Students are responsible for the consequences of not reading, acting upon, and/or responding to official college-related communications sent to their **GSCC student email address**.

**Access email via the
MYGADSDENSTATE PORTAL**

END OF SEMESTER/TERM GRADES

End of Semester/Term grades are posted and are available in the student's **OneACCS** account. Grades are available to students after the final day of the semester/term as identified on the college calendar.

DISTANCE LEARNING INFORMATION

Blackboard Learn is the learning management system for both on-campus and online courses. **Students can access course materials at any time and from any computer with an Internet connection.** Blackboard Learn allows instructors to manage all course materials online as well, including posting documents, making announcements, sending email, creating online assessments and more. Students can access course documents, send files and access grades directly. Course materials are available at any time from any location, allowing students to learn when and where they choose.

**Access Blackboard through your
