STRATEGIC PLAN

EXCELLENCE. ACCOUNTABILITY. RESPECT. SERVICE. INTEGRITY.

03.05.2025

MESSAGE FROM THE PRESIDENT:

DR. KATHY MURPHY GSCC PRESIDENT

As a leader, I often think about the dialogue between Alice and The Cheshire Cat in Lewis Carroll's *Alice in Wonderland*. Here is that philosophical dialogue...

Alice: "Would you tell me, please, which way I ought to go from here?"

The Cheshire Cat: "That depends a good deal on where you want to get to."

Alice: "I don't much care where."

The Cheshire Cat: "Then it doesn't much matter which way you go."

Gadsden State family, we have not fallen down a rabbit hole, and we have not landed in a fantasy world. Perhaps the only similarity between GSCC and Wonderland is we are among some wonderful and weird people, but not one of us is confused about where we want to go.

As a college, we have a vision; we are on a mission; we hold core beliefs that guide our steps; and we have major goals to accomplish... together. We know there are institutional pillars on which the foundation for student success depends, and it is each and every student and their success that drives each and every one of us every day.

Granted, many strategic plans are a mere binder, filled with fluff, on a shelf, with a nice label, to be retrieved and dusted off prior to an accreditation visit. This is not true of our Strategic Plan. This document has been designed to keep us focused on "why" we are here, to guide us in our work and service, to guard us from distractions and division, and to guarantee the success of our students.

It matters which way we go from here. I propose we go forward and upward and do so as quickly as possible as students caught in the lag time are shortchanged. So *Let's Go* forward, upward, quickly, together as a team. If we do, we will change the lives of our students for good, forever!

EXCELLENCE • ACCOUNTABILITY • RESPECT • SERVICE • INTEGRITY
